

Form 1095-B Notice

Previously, the District Council #3 Painters and Allied Trades Welfare Fund (“the Fund”) has provided its members with Form 1095-B each year, a form required by the IRS to demonstrate minimum essential health coverage during the year. In prior years, a person without minimum essential coverage during the year (or an exemption) could be responsible for payment of a “individual shared responsibility” tax when they filed their federal tax return. However, the Tax Cuts and Jobs Act reduced this tax to \$0 for 2019. As a result, **you do not need Form 1095-B to file your 2019 tax returns because you will not owe a shared responsibility payment for 2019 – even if you did not meet the minimum essential coverage requirement or qualify for an exemption.**

IMPORTANT

Please be advised that that Form 1095-B for the 2019 calendar year will not be mailed out this year. You can still receive a paper or electronic copy of the Form 1095-B upon request, by:
